DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

The communication, filed 03 January 2003, is non-responsive to the prior office action, mailed 27 August 2002, because: 1) the "clean version" of claims contains mark ups, particularly claims 5 (line 1) and 12 (line 2); 2) applicants have indicated in Paper No. 6, filed 03 January 2003, that the claims have been amended to delete reference to "programmable" (page 11, lines 11-31), however, claims 10 and 31 recite "programmable". Additionally, the specification on page 1, lines 2-4, states "Reference is made to the microfiche appendix attached hereto", however, no microfiche is found. Therefore, applicants are requested to provide said microfiche. Attached herewith is a copy of the Interview Summary conducted on 10 December 2002.

Since the above mentioned communication appears to be a bona fide response, applicants are given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 C.F.R. § 1.136(a).

Papers related to this application may be submitted to Technical Center 1600 by facsimile transmission. Papers should be faxed to Technical Center 1600 via the PTO Fax Center located in Crystal Mall 1. The faxing of such papers must conform with the notices published in the Official Gazette, 1096 OG 30 (November 15, 1988), 1156 OG 61 (November 16, 1993), and 1157 OG 94 (December 28, 1993) (See 37 C.F.R. § 1.6(d)). The CM1 Fax Center number is either (703) 308-4242 or (703) 305-3014.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Channing S. Mahatan whose telephone number is (703) 308-2380. The examiner can normally be reached on M-F (8:30-5:00).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael P. Woodward, Ph.D., can be reached on (703) 308-4028.

Any inquiry of a general nature or relating to the status of this application should be directed to Legal Instruments Examiner, Tina M. Plunkett, whose telephone number is (703) 305-3524 or to the Technical Center receptionist whose telephone number is (703) 308-0196.

Date: March 21, 2003
